

COME TO CAMP!

PANCREATITIS SUMMER CAMP

JULY 8-13, 2022

National Pancreas Foundation & Rebecca's Wish in partnership with Flying Horse Farms

The National Pancreas Foundation and Rebecca's Wish created Camp Hope so children and young people suffering from pancreatitis, or post-TPIAT, can experience all the joys of camp without limitations.

Attend camp in 2022 at Flying Horse Farms, a medical specialty camp in Mt. Gilead, Ohio, that makes it possible for children with serious illnesses to heal, grow, and thrive.

At Camp Hope and Flying Horse Farms, you'll do things you can't do anywhere else while having fun, finding respite, and experiencing a new sense of belonging. All while staying safe under the guidance and care of an onsite medical and psychosocial team.

More information about Camp Hope can be found at: PancreasFoundation.org/camp-hope

VOLUNTEER & CAMPER APPLICATIONS - Open January 2022

CAMPER PAPERWORK DEADLINE - March 4, 2022
